

**Application to host
EPS-HEP2015 Conference
by the
Vienna Particle Physics Community**

Why Vienna?

- Considered world's best Conference City
 - <http://www.vienna.convention.at/Home/Presseinformationen/2012/Wien-bei-Kongressen-erneut-weltweit-Nr--1---Stadt-.aspx>
- Considered city with best living conditions
 - <http://www.mercer.com/press-releases/quality-of-living-report-2011>
- Rich cultural heritage, spanning 2000 years
- Centrally located in Europe
- Provides exceptionally attractive conditions for EPS-HEP2015

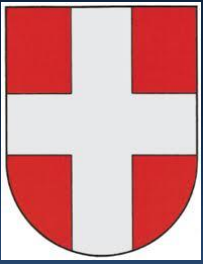

Why EPS-HEP2015 in Vienna?

2015: A year of scientific celebrations

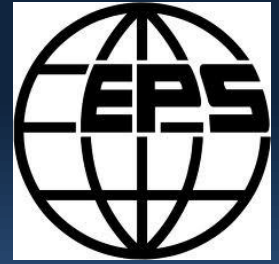

- 650th Anniversary of the foundation of Vienna University
- 200th Anniversary of the foundation of Vienna University of Technology
- 2015 expected to mark major steps forward in Austrian particle physics
 - Continued strengthening process of particle physics in Vienna
 - Four new professors in particle physics in the past four years
 - Center for Fundamental Symmetries and Interactions in planning: 2015 is target year for start of center
 - Ion beam therapy center 'MedAustron' will start patient treatment in 2015
- These anniversary celebrations will provide a unique platform to connect fundamental science with society
- Awarding the Conference to Vienna in 2015 will be European recognition and support of this strengthening process

What Vienna offers: location

- Easily accessible:
 - Several daily flights from all major European cities (e.g. four daily four daily (low cost) flights between Geneva and Vienna)
- Excellent public transport system
 - Airport-Center: 16 min by train
 - Special ticket: 8 days public transport+Airport train: 39 Euro
- Conference site in walking distance to city center
- Hotels, restaurants at very affordable prices in walking distance to conference site
- World-class, vibrant cultural activities
- Pleasant weather conditions

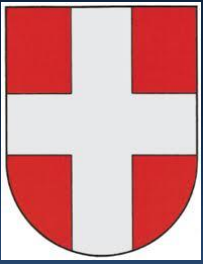

Museum Quarters

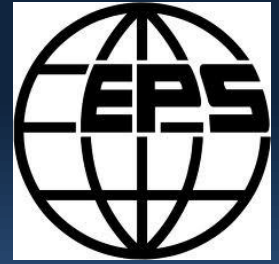

Vienna center: areal view

What Vienna offers: location

- Conference site: University of Vienna
 - Venerable academic building
 - Very centrally located
 - Ample facilities, all conveniently located in the main building, optimizing also contacts between conference delegates
 - All parallel sessions in easy reach
 - Coffee breaks near by in attractive arcades
 - Ample space for posters, industrial exhibits, publishers
 - State-of-the-art infrastructure (WLAN, informatics, media facilities)
 - University has hosted conferences with up to 4500 participants

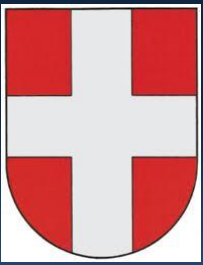

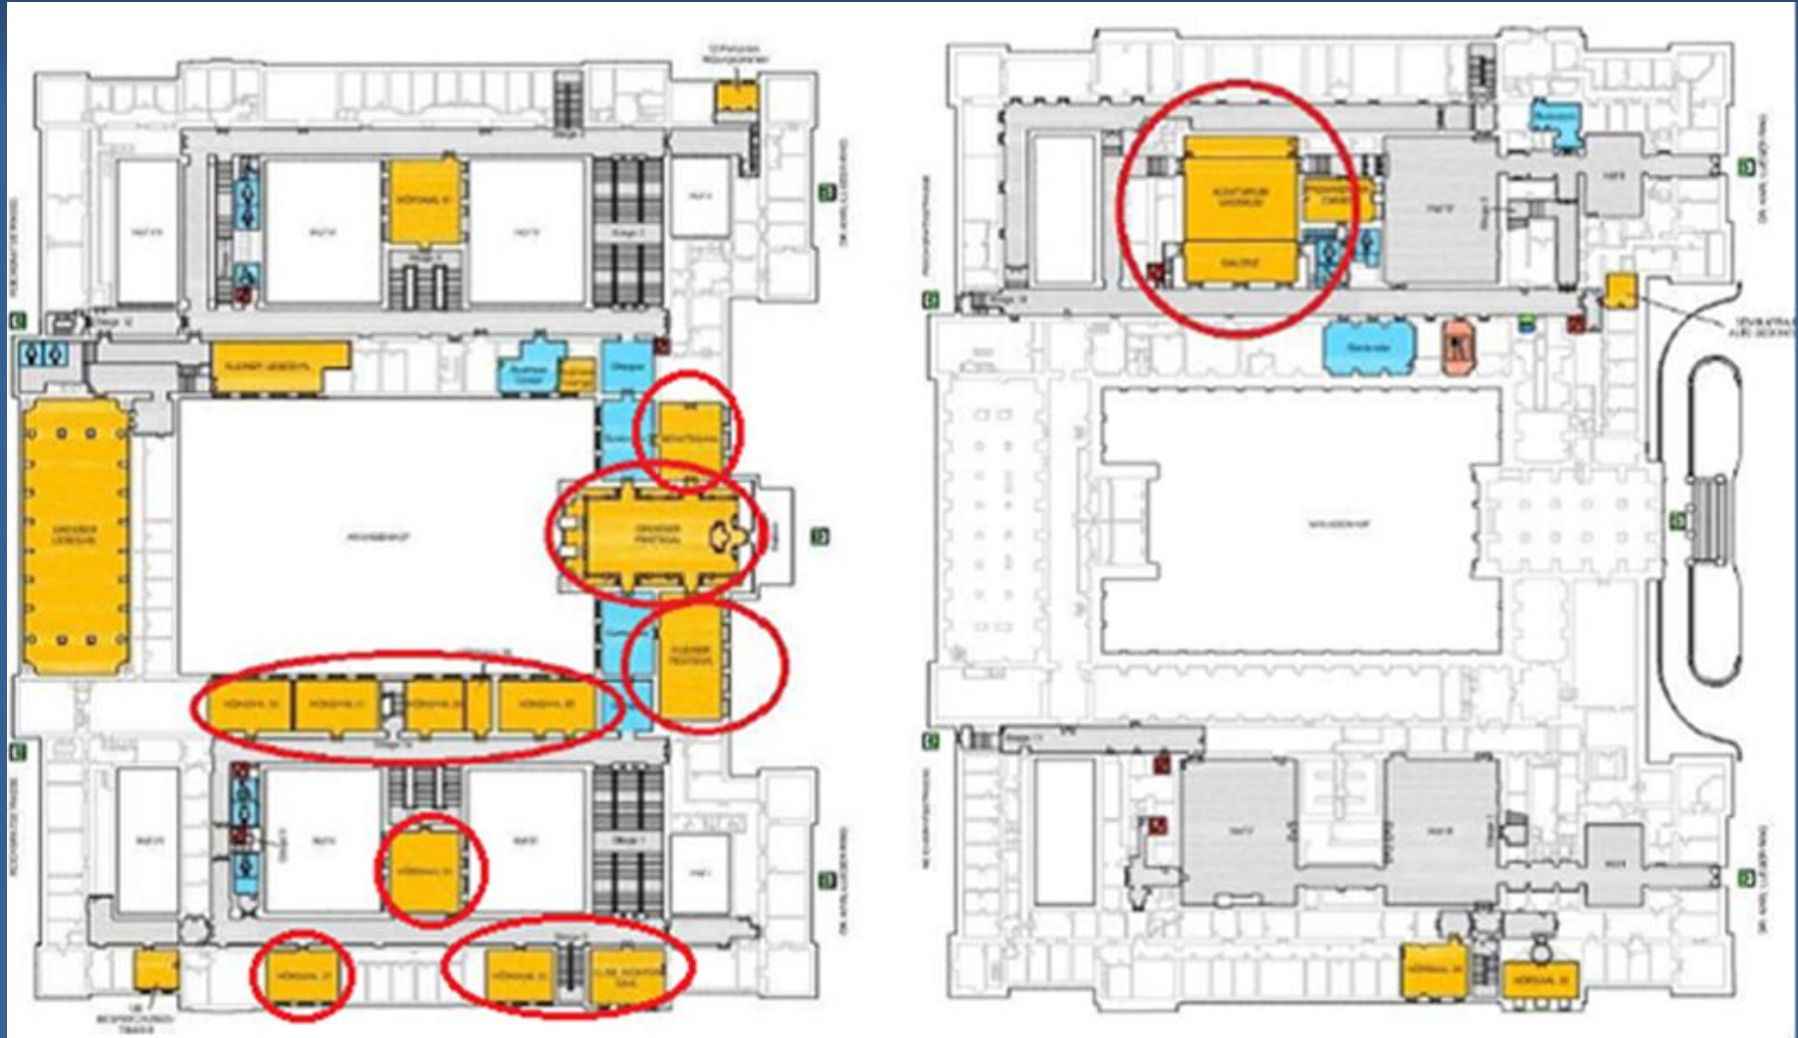

University of Vienna

Proposed home of EPS-HEP2015

Main auditorium and most lecture rooms all on the same level

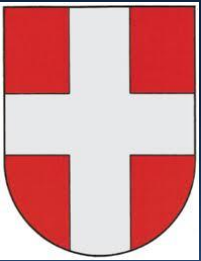

Area for Registration, Conference Secretariat

Professional Partners :

Austropa Interconvention; Event Management of University will handle

Hotel booking; travelling; Conference fees; booking of tickets, Excursions,...

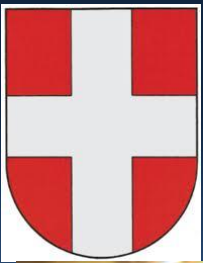

Conference rooms

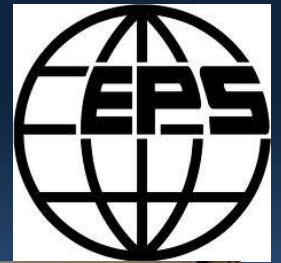

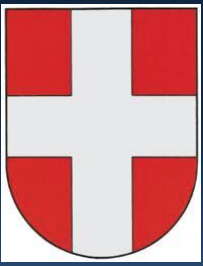

lecture hall	capacity	location
Audi Max	750	Ground floor
Großer Festsaal	400	1st floor
Kleiner Festsaal	210	1st floor
Senatssaal	60	1st floor
HS 28	140	1st floor
HS 30	100	1st floor
HS 31	130	1st floor
HS 32	130	1st floor
HS 33	230	1st floor
HS 23	120	1st floor
Elise-Richter-Saal	140	1st floor
HS 27 (computer room)	24	1st floor

Large Festive Hall: capacity 400 persons

Main Auditorium:
seats 750 persons

Welcome reception, poster sessions, industry exhibits, coffee breaks

Arcades : inside view

outside

1600 m² permanently available for

- poster presentations
- Coffee breaks
- Industry exhibits near coffee break area

Receiving the Conference Delegates:
Hotels: international standard at attractive prices,
conveniently located
good quality accommodations for students

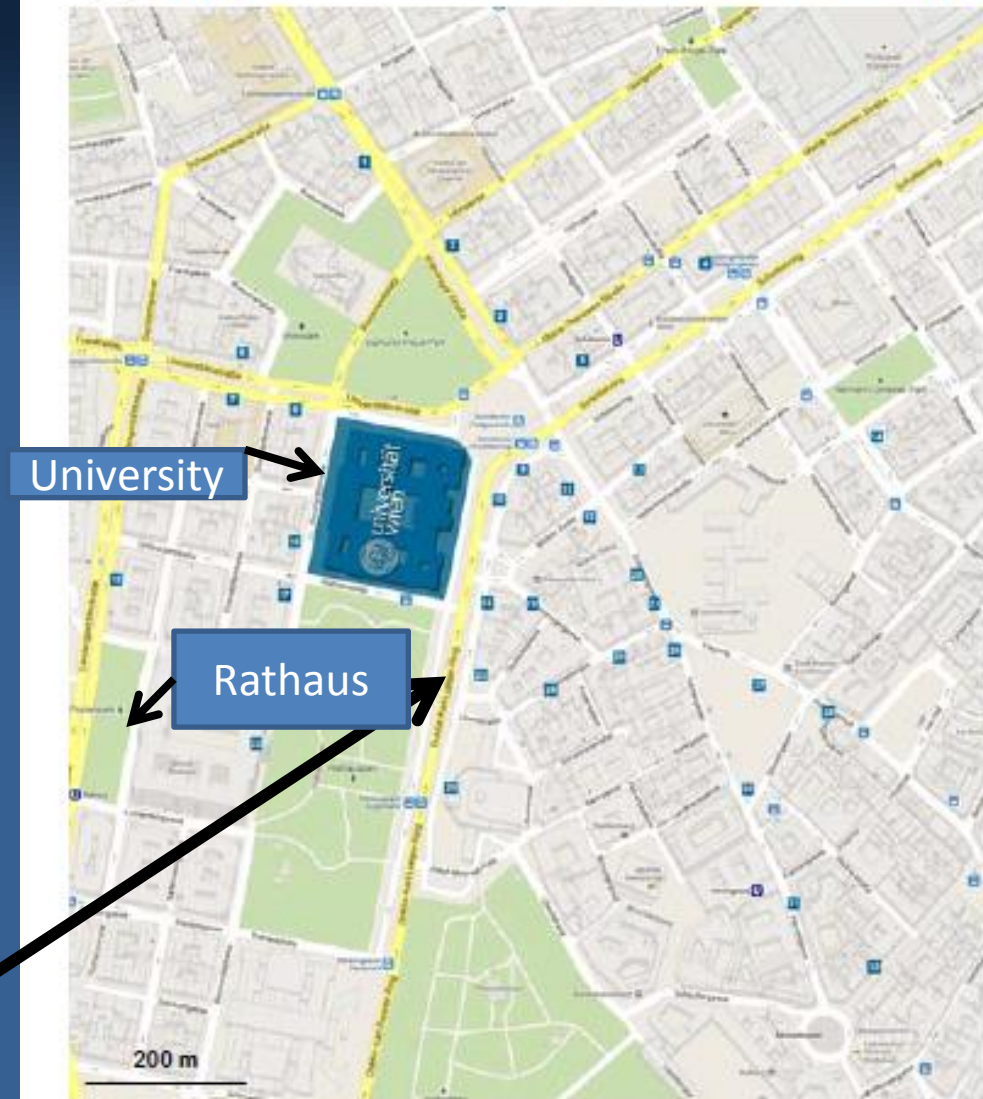

4**** Hotels - Rate: € 125,- to € 130,- (price basis 2012)			
		walking distance	distance to venue by public transport
Best Western Plus Hotel	Tiefer Graben 14, 1010 Wien	9 min	
Austria Trend Hotel Rathausplatz	Rathausstraße 17, 1010 Wien	5 min	
3*** Hotels - Rate: € 60,- to € 90,- (price basis 2012)			
Hotel Alpha	Buchfeldgasse 8, 1080 Wien		2 min
Hotel Atlas	Lerchenfelderstr. 1-3, 1070 Wien		2 min
Austria Classic Hotel Bleckmann	Währinger Strasse 15, 1090 Wien	8 min	
Hotel Graf Stadion	Buchfeldgasse 5, 1080 Wien		2 min
Hotel Post	Fleischmarkt 24, 1010 Wien		3 min
Hotel Zipser	Lange Gasse 49, 1080 Wien		2 min
AllYouNeed Hotel Vienna2	Große Schiffsgasse 12, 1020 Wien		3 min
Hotel Goldener Bär	Türkenschanzstraße 27, 1090 Wien	10 min	
Pension Schottentor	Hörlgasse 4, 1090 Wien	6 min	
Hotelpension Residenz	Ebendorferstraße 10, 1010 Wien	6 min	
2** Hotels and Hostels - Rate: € 50,- to € 62,- (price basis 2012)			
Albi hostel	Wilhelm Exner-Gasse 4, 1090 Wien	20 min	9 min
Wombats City Hostel	Mariahilfer Straße 137, 1150 Wien		17 min
Academia	Pfeilgasse 3a, 1080 Wien		4 min

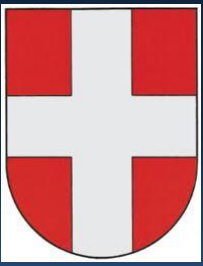

Receiving the
Conference delegates:
restaurants, bistros,
pubs, trattorias,
University Cafeteria:
attractively priced,
conveniently located

Lunch: from € 6 onwards

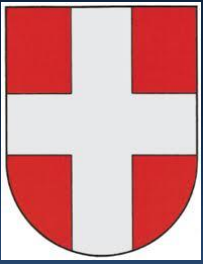

Blue squares:
restaurants

**Vienna Rathaus: 3 minute walk
more restaurants with local and
international cuisine,
open air film festival during July, August**

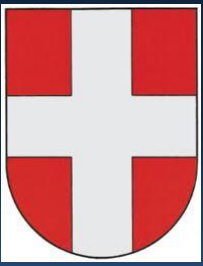

After physics: classical music in the world-famous Musikverein

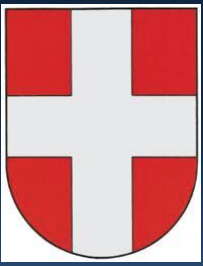

Home of the 'New Year's Concert

**Sunday excursion along the Danube (example)
World heritage Wachau, baroque architecture,
wine tasting
Choice of several Sunday activities, ranging from
arts to sports, will be offered (incl. surprise)**

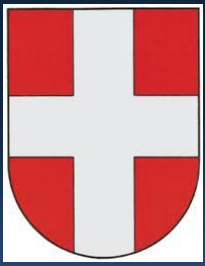

Excursion is optional

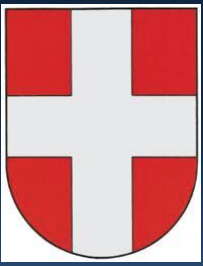

Conference Dinner: option *** Schloss Schönbrunn

Conference Dinner: option *** Schloss Schönbrunn

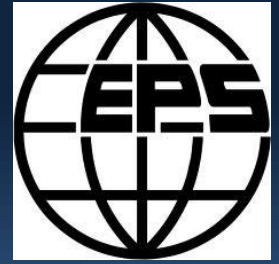

Conference Dinner: option **(*) Vienna Rathaus

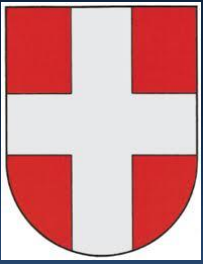

Viennese cuisine
Music band with international music
We plan to throw a great Party

Local Organizing Committee

- All five Vienna Particle Physics institutes participate
 - Prof. Hartmut Abele, Vienna University of Technology
 - Prof. Christian Fabjan and subsequently by his successor, director, Institute of High Energy Physics (HEPHY) and Vienna University of Technology
 - Prof. Andre Hoang, University of Vienna
 - Prof. Anton Rebhan, Vienna University of Technology
 - Prof. Eberhard Widmann, director, Stefan Meyer Institute (SMI)
- Scientific and technical staff and students of the institutes will share in the organisation and in the running of the Conference
- Professional Conference Organizers
 - Austropa Interconvention; Event Management of University of Vienna will handle Hotel booking; travelling; Conference fees; excursions; special requests;...

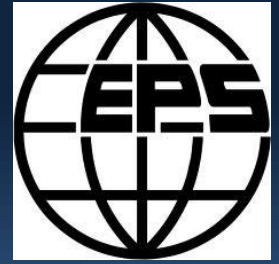

Local Organizing Committee

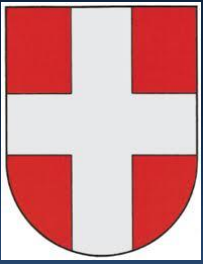

- Local organizers have considerable experience in organizing large conferences with up to 800 delegates
- Examples:
 - European Particle Accelerator Conference (EPAC 2000)
 - Physics at LHC Conference (PhLHC2004)
 - International Linear Collider Workshop (ILC2005)
 - Topical Workshop on Electronics for Particle Physics (TWEPP11)
 - International Conference : Exotic Atoms, EXA 2011;
 - Vienna Conference on Instrumentation; 3-yearly; next in 2013

EPS-HEP2015@Vienna: Costs

- Conference fees:
- Participants: € 400 (average between early and late registration)
 - Fee includes conference venue and facilities, welcome reception, two coffee breaks per conference day, conference gala dinner (seated), concert, conference material.
 - Conference Dinner in Schönbrunn
- Alternative: € 375
 - with conference dinner at the Rathaus
- Accompanying person: € 150/€ 125
 - The fee for accompanying person includes welcome reception, concert and conference gala dinner
 - A variety of events will be organized for accompanying persons

EPS-HEP2015@Vienna: Budget

Conference Budget

(based on 600 paying participants and a conference fee of € 400)

expenditure		income	
Rental and equipment:	€ 39.000	Participants fees:	€ 240.000
conference organization / personnel costs:	€ 16.500	Industrial exhibition:	€ 10.500
Conference material and coffee breaks:	€ 48.000	Sponsorship:	€ 16.000
Social events (Welcome, Concert, Gala Dinner):	€ 103.000	Local institutes:	€ 10.000
EPS-Contribution:	€ 30.000		
Proceedings:	€ 10.000		
Variable costs (committee dinner, poster prize, etc.):	€ 29.500		
Total expenditure incl. VAT:	€ 276.000	Total income:	€ 276.500

Summarizing

- World class location, yet
- Very affordable
 - important to the Organizers in view of attracting the largest possible community, students
- Attractive social program
 - Vienna will be yours to enjoy
- 2015 is important year for science in Vienna
- Organizers want to create festive atmosphere to celebrate physics and connect to the Public
- Organized by the Community of Vienna Particle Physicists

Invitation

*The Vienna Particle Physicists
request the pleasure of the company of the*

*International Particle Physics
Community*

*at the occasion of EPS-HEP2015,
July 22 - 29, 2015*

RSVP
